

**SUPERIOR TECHNOLOGY.  
 ULTIMATE PROTECTION.**

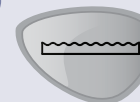

1

ActivCare  
 Luxury  
 Fabric

- Permanent protection for you and your mattress
- Lasting protection against dust mites and germs
- Eliminates unpleasant odours
- Keeps you and your family healthy

2

Luxury Foam  
 Layers

A combination of resilient foam and comfortable fibres chosen for their strength and durability.

3

Fimalator

A superior layer of resilient, high-quality fibre prevents spring feel and movement of comfort layers thus providing you with long term consistent comfort.

4

1000 IPS  
 Individual  
 Pocket Springs

- Individually encased coils
- Each Pocket Spring adjusts independently
- Supports your body in any sleeping position
- Nested construction minimizes space between coils
- Provides more active points of support
- Greater reduced partner disturbance

5

Sprung  
 Stable Edge

Sprung Stable Edge provides greater all round support and comfort whilst increasing the sleeping surface.
